## NOTES ON APPLICATION FOR ENTRY:

The Organiser of the Event is TRACKCORP Adrenalin Pty Ltd of 20 Burton Street Darlinghurst NSW 2010 (hereinafter referred to as the Organisers). The Event is **DRIVE BATHURST 2011** and is referred to as the Event in these terms and conditions.

**DRIVE BATHURST 2011** is a five day invitation only event utilising the Mount Panorama Circuit at Bathurst NSW. The aim of the Event is to give experienced club competitors and motor sport enthusiasts the opportunity to receive expert instruction from well known and respected race champions and then drive on the full Mount Panorama Circuit. This is the third running of the Event.

In 2011 the Event will again have two separate categories: **Drive Bathurst**, an un-timed non-competitive event and **Sprint Bathurst**, a timed competition. The categories will not run concurrently, and eligible competitors may enter either one or both categories.

This explanatory section will assist you in applying for an Invitation to Compete, determining the suitability of your motor sport experience and vehicle, and selecting the most appropriate category.

This Application for Entry form is designed to provide information to assist the Organisers in our assessments of potential competitors. The information will also be the basis of publicity material about the Event. Please complete all details as requested. By not receiving full and accurate details of the driver and the vehicle we may not be able to process your application or issue an Invitation to Compete.

All applications are considered by us and we will progressively select the most appropriate applications to build a field of around 170 cars across both of the **Drive Bathurst** and **Sprint Bathurst** categories. It is anticipated that the first round of Invitations to Compete will be issued in mid February 2011.

**Drive Bathurst** will run over two days (09-10 November) and offers a unique opportunity for competitors to learn to drive this legendary circuit at their own pace in a non-competitive format whilst still enjoying spirited driving. The focus is on circuit orientation and training, progressing through speed-limited sessions, and culminating in no speed limit sessions on the final day.

This is the ultimate 'track day' event, providing a great chance to mix with other enthusiasts in a very special venue and is suited to less experienced drivers and those wishing to develop and improve their competition skills and techniques. **Drive Bathurst** will be conducted in accordance with separate Supplementary Regulations.

**Sprint Bathurst** will run over three days (11-13 November) and is designed with the dedicated club sprinter in mind. The format includes circuit orientation, training sessions and speed-limited practice sessions, before moving to timed practice on the second day.

Competitors will then be seeded based on recorded practice times and a full Supersprint will be run on the final day. Times will be published and trophies awarded at the presentation function that concludes the Event. **Sprint Bathurst** will be conducted in accordance with separate Supplementary Regulations.

## REGULATIONS GOVERNING ENTRIES:

This section should ultimately be read in conjunction with the Supplementary Regulations for **DRIVE BATHURST 2011** which are available from our website [www.drivebathurst.com](http://www.drivebathurst.com). In the event of a conflict, the Supplementary Regulations take precedence.

### 1. GENERAL

Applications for Entry in **DRIVE BATHURST 2011** open at 09:00 on 20 February 2011 and close at 17:00 on 31 August 2011.

Applications must be made by submitting an official Application for Entry form (which forms part of the "Entry Form" proper) to the Organisers; together with the application deposit. The deposit is AUD\$995 for **Drive Bathurst** and AUD\$1,295 for **Sprint Bathurst**.

Applicants may make online payment by credit card through the Event website [www.drivebathurst.com](http://www.drivebathurst.com) prior to lodging the Application for Entry. The Application for Entry must be lodged within 14 days of payment being made.

An Invitation to Compete is issued by the Organisers at their sole discretion. Any such invitation applies only to the nominated Competitor, the nominated Driver and the nominated vehicle as described in the Application for Entry.

A Competitor wishing to change the vehicle originally nominated or to vary its specifications in any way after an Invitation to Compete has been issued, must notify the Organisers who, at their sole discretion, reserve the right to withdraw the original invitation and consider the proposed replacement vehicle as a new application.

The Organisers reserve the right to decline to issue an Invitation to Compete in **DRIVE BATHURST 2011** without giving a reason.

Where the Organisers have declined to issue an Invitation to Compete to an applicant who has applied to enter the **Sprint Bathurst** category, that applicant may, in some circumstances, be offered an Invitation to Compete in **Drive Bathurst** as an alternative.

An applicant invited to compete will be notified within seven days of our decision to issue an invitation.

The maximum number of starters is limited by the CAMS approved track density, and under current circumstances we believe it will not exceed 96 for the **Drive Bathurst** category, and 78 for the **Sprint Bathurst** category.

Notwithstanding the lodgement of an Application for Entry and the issue of an Invitation to Compete, the Competitor and Driver may be required to complete a further Entry Form and/or Vehicle Identity Form provided by the Organisers, upon invitation.

Competitors and Drivers are permitted to carry video cameras in their vehicles for the purposes of making moving or still picture records for their private viewing, but the Organisers retain copyright of all film and video footage associated with **DRIVE BATHURST 2011**; Any commercial or promotional arrangements made by Competitors and Drivers for the sale of film, video or still footage, or for the viewing of such footage in a public place (including internet sites), must be approved in writing by the Organiser. Failure to observe this regulation may lead to legal action by the Organisers for breach of copyright.

By entering the Event all Competitors and Drivers agree:

- To the use of their names and photographs, and photographs of their vehicles, in publicity material issued by the Organiser or the Event sponsors, in perpetuity.
- That their names and contact details may be made available to and be used by sponsors and licensees of the Event.
- All film and video tape rights for **DRIVE BATHURST 2011** are the property of the Organisers TRACKCORP Adrenalin Pty Ltd.
